Viktor Tindula

Sigrid Undsets Vej 200B | Aalborg, 9220 | +4591850910 | viktortindula@gmail.com

Profile

Computer science in fourth semester at UCN university, highly motivated, eager to learn new technologies. My only goal right now is to try to constantly improve my knowledge and be the best software engineer I could possibly be. I am detail-oriented, organized and enthusiastic team player ready to contribute to company success.
